These listings supercede all previous Special Discount Prices – please do not order from previous ones as titles or prices may have changed. If possible we would appreciate it if you could name a few alternatives when ordering these Specials. Most items are readily available most of the times, but due to the very nature of them being Specials, our suppliers sometimes have to wait about two weeks to acquire certain items being re-stocked. This slight problem is, unfortunately, inevitable with this listing being so large and diverse, especially when titles are sourced from various EC countries as well as the UK so as to ensure lowest possible prices for our customers. If an item increases in price from Mid to Full-Price, we will cancel the order; if an item decreases from Full Price to Mid Price, we will issue a Credit Note.
